

1. Mike Magee, New York/New Jersey Metrostrars

Position: Forward
Date of Birth: Sep. 9, 1984
Place of Birth: Chicago USA.
Height: 5'9
Weight: 150lb
National Team: USA
National Games: None
National Goals: None

Notes:

An exciting centre-forward who can hold as well pass the ball. He also has a strong shot and can score from free-kicks. He struggles with consistency and is sometimes an "all-or-nothing" player. Had tryouts with Ajax (Holland) and Viking (Norway) and frequently trained with Chicago Fire prior to being drafted in 2003 by the MetroStars. Not the most publicized rookie coming into the 2003 MLS season but was able to score 7 goals in 29 games and was regarded as the top newcomer in the MLS behind 23 year-old Jamaican striker Damani Ralph.

Career Statistics

Other Clubs: Sockers FC (2000) also trained with Ajax (Holland) and Viking (Norway).
